Job & Training INSTITUTE REENTRY PROGRAM

PROGRAM OVERVIEW

This program works to offer career training, with a focus on the customer service industry. We will offer transitional support prior to release and case management, supportive services, employment opportunities, community resources and follow up after release to adult men and women inmates releasing within 120 days to Maricopa County, Arizona. Our goal is to improve employment services, connections and to reduce the recidivism rate.

To learn more, participate in our upcoming Informational Session. You can self-sign up through your CO. If interested an Enrollment Session will be scheduled to allow you to enroll into the program.
