

Father Matters is excited to announce the launch of our new food pantry service, aimed at providing much-needed support to the community. With this new service, we hope to make a positive impact on the lives of many families and individuals in our community who are struggling to make ends meet. We believe by working together, we can help make a real difference in the fight against food insecurity. We are grateful for the support of our community, and we look forward to serving you with this new initiative. Together, we can create a brighter future for all.
