"Encouraging and strengthening fathers, families and the community".

Workshops

**Fathers Mentoring Fathers
Mother2Mother
Crossroads for Teen Parents
Support Groups**

All of the above workshops are one-day, five session programs that cover topics critical for today's active, effective and involved fathers, mothers and teen parents.

Topics include:

1. Communication
2. Time and Commitment
3. Responsibility
4. Letting Go of the Past
5. Quality Time
6. Arrested Under Development

Workshops, classes and trainings can be adjusted to fit your audience, group size, time availability and topic.

Parenting Classes

Father Matters uses the Strengthening Multi-Ethnic Families modules to assist parents of children ages 3-18 years of age with developing creative, positive parent-child relationships and learning or growing skills helpful in raising children in a healthy, loving environment.

Lectures / Guest Speaker

Our motivational lectures can help transform individuals from all walks of life; from transforming careers to improving relationships; from making better choices, to taking charge of the future.

Staff Development Training

The staff development trainings focus on improving services for fathers and increasing male involvement into programming. Trainings are intended to support community partners already working with families by integrating the father into the role of positive parenting; as studies show children benefit and thrive from strong, cooperative relationships.

Topics Include:

1. Influences
2. Impact
3. Understanding Diversity
4. Barriers
5. Strategies
6. Creating a Welcoming Space
