“Supporting Successful Transitions”

Continental Breakfast Will Be Provided

Father Matters Reentry Conference “Supporting Successful Transitions” Join Father Matters for a day of learning, connection, and resources designed to support individuals and families navigating the reentry journey. This conference will provide valuable information, practical tools, and community connections to help individuals build stable futures and successfully avoid returning to jail or prison.

Conference Topics:

Partnering with Employers & Apprenticeship Programs - Learn how to connect with employers, explore apprenticeship opportunities, and access career pathways that support long-term employment.

Successfully Navigating Community Supervision - Gain insight into probation and parole expectations and learn

strategies to stay compliant and avoid common violations.

Shared Housing - Understand housing options such as sober living and shared housing models that can provide stability during reentry.

Staying Clean, Staying Free - Explore strategies for maintaining sobriety, preventing relapse, and building a strong foundation for recovery.

Avoiding Toxic Relationship Patterns - Learn how to identify unhealthy relationship behaviors and build healthy communication and boundaries with family and loved ones
